Senior School Uniform List Additional Guidelines

Please read this carefully, especially with regards to shoes and coats which can be expensive items to replace. The school outfitters will have a copy; anything which differs is obsolete.

A high standard of personal appearance is expected. Uniform should be clean, well-maintained and worn as directed by the school. Extremes of fashion, shoe style and hairstyle are **not** permitted. Clothes and shoes should be plain and the school logo the only discernible one. Sanctions, including after-school detention, may be imposed for infringements of the uniform and appearance code. The Headmistress reserves the right to send home students who do not comply with the school's requirements.

Shoes

Students should wear black traditional shoes with an entirely leather, or faux leather upper that can be polished to a shine.

Boys - Many current fashions and shoes with undone laces are not acceptable. Boots are **not** permitted. Black trainers are not an acceptable alternative to shoes.

Girls - Trainers, 'ballet' shoe styles and shoes with undone laces are not acceptable. Girls must wear shoes that support the feet correctly and with a low heel. The best version is a laced shoe. The heel must not exceed 6mm in height (including any thick sole incorporated into the heel).

Trainers

These must be suitable for games activities – leisure type shoes such as Converse trainers are not suitable and hence not permitted. Mid top style shoes are only suitable for basketball.

Topcoat

When worn top coats should complement the uniform. They should be entirely plain, either navy or black and should be long enough to cover the blazer. Leather, PVC, fleece materials, etc. are not permitted.

Skirt Length (girls)

When purchasing a new skirt, please allow for an increase in your daughter's height as far as possible. **Skirts should be a maximum of 4cm above the top of the knee bone.**

N.B.

Boys - if boys opt for a close-cut, shaven look, the hair must be no less than a ***number 2 cut***. There are to be no 'tram lines' or 'sculptured' styles. Spikes on top should not be too severe. Bizarre, outlandish styles or dramatic differences are **not** acceptable. Where boys opt for a shaven style, the hair should be graded evenly and without a severe step between the sides and the top of the hair. If boys opt for a longer hair style, the length should be no longer than the collar and the fringe must not obscure the face. There are to be no highlights in boys' hair.

Girls - only hair dyed to look 'natural' will be acceptable; any highlights present in girls' hair must be in keeping with its natural colour. Contrasting colours or totally dyed hair will not be accepted. Long hair must be tied back. Hair accessories, if worn, must be plain blue.
