AIMS

1. To provide an aspirational and challenging environment where each student is encouraged to take responsibility for their own learning to achieve their personal best.
2. To help our students to develop confidence, personal integrity and a sense of responsibility for others in a tolerant community which respects fundamental British values.
3. To help our students become well-balanced individuals by setting the highest academic, creative and physical challenges and embracing the importance of a broad range of interests.
4. To produce resilient young people who will flourish as adults by developing the ability to learn from life's challenges, celebrating both individual as well as group success, thereby fostering a sense of self-worth.
