**YOU'VE MADE  
A DIFFERENCE**

**Thank you so much for raising £1075 in  
2013 and a lifetime total of £13,072.14.**

20<sup>th</sup> Nov 2023

To Mrs Hilton and all at Bridgewater School,

Thank you so much for the kindness you have all shown to us by Hosting your Macmillan Coffee Morning in 2023. Its because of kindness like this we're able to help people with cancer, live their life as fully as they can.

To help you understand the impact of your fantastic support so far, I have enclosed some examples of services that we provide and how the money we raised could support them.

Thank you so much again for making a difference. Please don't hesitate to get in touch if you would like to hear more about the local and national services.

Many thanks and best wishes,

John Rullo  
Relationship Fundraising Manager

**MACMILLAN  
CANCER SUPPORT**

# Bridgewater School

## WHAT YOU'VE ACHIEVED

**The difference £1075 of donations  
and pledges makes.**

### Macmillan Nurses

Macmillan Nurses address the all-round needs of people living with cancer. It costs £34 to fund a Macmillan Nurse for an hour,

**£1075 could fund a Macmillan Nurse for almost 32 hours, giving expert medical, emotional and practical support, as well as signposting to other services.**

### Macmillan Grants

Macmillan Grants help people with cancer on low incomes, which could cover a wide range of practical needs. This can include things such as heating bills, extra clothing, or a much-needed break.

**£1075 could fund almost 4 Macmillan grants, improving the quality of life for people affected by cancer.**

### Support Line Services

The Macmillan Support Line team are on hand to answer questions about cancer types and treatments, provide practical and financial support, or just listen if someone needs to talk.

**£1075 could pay for our Support Line Services for over 2 hours to deal with more than 48 telephone calls or web enquiries.**

## THE FUTURE

Every two minutes, someone in the UK is diagnosed with cancer. There are now more than 3million people living with cancer in the UK and this is set to rise to 4million by 2030.

Here at Macmillan we rely almost entirely on voluntary donations, so we simply cannot do this without the help of people like you.

**Thank you.**
