

Community Business Partnership Programme

Partnership overview

A partnership that benefits everyone.

The **Bridgewater Community Business Partnership Programme** brings together businesses from within our school community to create a trusted local network, while generating vital funds to support the school.

This initiative enables parents, alumni and other members of the wider school community – including local business owners connected to Bridgewater – to connect with school-linked businesses, while providing those businesses with meaningful visibility among families who value engaging with and championing their local community.

By joining the programme, businesses not only promote their services, but also make a direct contribution to enhancing the educational experience of our pupils.

Supporting our school. Connecting our community.

We are proud to introduce the Bridgewater Community Business Partnership Programme - a network of businesses connected to our school community, created to support both local enterprises and school fundraising.

This initiative brings together parents, alumni members and the wider school community who run or lead businesses, providing them with a platform to increase their visibility within a trusted local network, whilst directly contributing to the ongoing development of the school.

Key benefits:

- **Raise your profile** within the Bridgewater community
- **Connect with potential customers** who value supporting local and school-linked businesses
- **Feature in school communications** such as newsletters and social media (subject to partnership level)
- **Demonstrate your support** for the school and our pupils.

Download the Partnership Programme Overview PDF for full details of partnership options and annual contribution levels.

While all businesses listed are part of the Bridgewater community, the school does not endorse or take responsibility for any individual business, product or service, and parents are encouraged to make their own decisions when engaging with participating businesses.

Christmas 2025

A message from Mr Lyons

With over 100 years of tradition, St Bede's continues to offer our students a world-class education. As we approach Christmas, we reflect on the values that have guided us since 1914: academic excellence, character development, and a commitment to service. This year, we celebrate the achievements of our students and staff, and look forward to a festive season filled with joy and reflection.

Our students have shown remarkable resilience and creativity throughout the year. From our academic achievements to our participation in various extracurricular activities, we are proud of the growth and development of each individual. The festive season is a time to appreciate the hard work and dedication of our entire school community.

We hope you enjoy reading the St Bede's School News, published by Mr Lyons, and wish you a Merry Christmas and a Happy New Year.

Headmaster's Message

Dear Parents,

As we approach the Christmas season, I would like to express my gratitude for your support and partnership with St Bede's School. This year has been a remarkable one, filled with achievements and challenges. We are proud of the resilience and creativity of our students, and we look forward to a festive season filled with joy and reflection.

We hope you enjoy reading the St Bede's School News, published by Mr Lyons, and wish you a Merry Christmas and a Happy New Year.
